

Environmental Policy - Issue 11 (01-2019)**Environmental Policy Statement**

CR Civil Engineering Ltd is committed, through compliance with relevant environmental legislation, industry standards and best practice, to ensure the protection of the environment and others that may be affected by its activities.

The policy shall be communicated to all personnel under our control and other stakeholders as required. The defined organisation structure, specified environmental responsibilities and the provision of adequate resources shall allow for the effective implementation of the policy and Integrated Management System throughout the organisation.

The Environmental Policy, Integrated Management System and progress towards objectives shall be regularly monitored and reviewed to ensure they remain relevant to the Company's activities and to facilitate continual improvement and prevention of pollution.

CR Civil Engineering Ltd shall ensure:

- Effective aspect and impact identification, assessment and control to avoid or reduce environmental risks to as low as reasonably practicable.
- Personnel are competent to fulfil their duties to the identified standards by providing adequate information, instruction, training and supervision.
- Consultation and communication with employees on environmental issues.
- Co-ordination and co-operation with all relevant stakeholders including clients, enforcing authorities and public as appropriate.
- Reduce our carbon footprint through responsible procurement, use, transfer and disposal of work equipment, goods and materials.

Employees at every level of the Company are expected to take all reasonable steps to safeguard the environment and any other persons who may be affected by their acts or omissions whilst at work.

We will ensure that this policy is communicated and available to all relevant stakeholders as appropriate.

This policy shall be reviewed for its effectiveness and suitability at least annually as part of the Management Review process.

This statement represents my commitment on behalf of the Company.

David Vyron Carl Roberts
Managing Director
